CHEERFUL WORDS

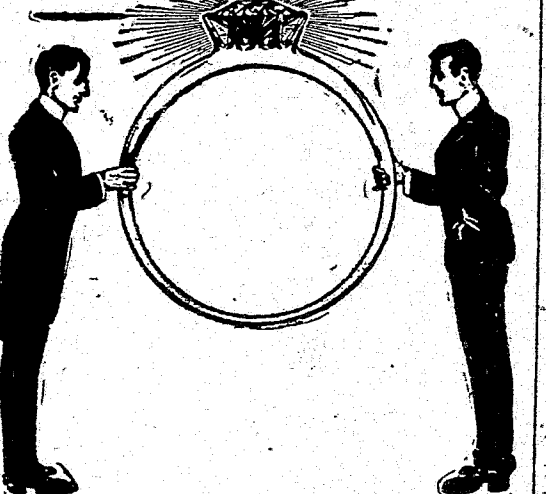

For Many a Norway Household

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove helpful to hundreds of Norway readers.

Mrs. Myrtle Payne, 237 Main St., Norway, says: "I used Doan's Kidney Pills and am thoroughly satisfied they are a dependable remedy. I had more or less pain across my back and kidneys. It annoyed me very much and when stooping and lifting, I felt it more. I found Doan's Kidney Pills good for the trouble and after I used this remedy the pains lessened. I have been practically free from the trouble since and I feel the remedy deserves my recommendation." (Statement given June 7, 1916.)

On September 3, 1920, Mrs. Payne said: "I recommend Doan's Kidney Pills as highly today as I have during several years past. The great good they did me has lasted and my faith in the remedy has remained firm."

Price 60c, at all dealers. "Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Payne had. Foster-Milburn Co., Mfrs., Buffalo, N. Y."

The Lure of BIRTH STONES

JULY

It was believed that in the birthstone of July burned an inextinguishable flame. Noah, it is said, had with him on the Ark a ruby that shed a soft and glowing light all through the flood. This gem is treasured in India, the land of legend and story, where it is called the rubi of precious stones, and there it is considered that the good effects are most surely secured, if the ruby set in a bracelet, ring, or brooch is worn on the left side.

For the Garden

This Year

There is such a vast difference between this year's Straw styles that to be correct this summer you will either have to buy a new hat—or spend all your time raising vegetables. You won't be able to raise much else if you insist on bringing last year's bonnet south of the back stoop.

Narrower brims—broader crowns—new placing of bows and bands.

It looks as though the manufacturers had made the change simply to make you change.

But cheer up—there's comfort in the new prices.

California Wants Your Money

A CALIFORNIA WRITER IN URGING CALIFORNIA PEOPLE TO INVEST IN CALIFORNIA HYDRO-ELECTRIC COMPANIES SAID

Every dollar a Californian places in this stock brings three dollars of Eastern or foreign money into California; when this outside money does come to us, it brings Eastern or outside people, who in turn bring additional industries.

Are You One of those

prodigal "Easterners" who is sending "Eastern money" to California—to attract industries, population, and wealth to California?

Or are you one of the growing number of loyal Maine men and women who are investing in Maine hydro-electric companies to bring factories, population, lower taxes and prosperity to the Pine Tree State?

Western states bid high for your money for they need it. But will you profit most by investing to insure Western prosperity or by investing in Maine to insure your own.

Exceptional safety, a fair yield, tax exemption and a chance to put your money to work building Maine is offered by an investment in Central Maine Power Company 7 per cent Preferred Stock.

The price is \$107.50 a share; the yield is 6½ per cent net.

Mrs. Thoms has certainly proved that a woman can make good in the hotel business and the citizens of Fryeburg have reason to feel very grateful to her for her efforts in this line, opening it she did when the village was without a public house. The house is highly spoken of all over New England. Having brought the house up to a high standard, Mrs. Thoms refused several lucrative offers to dispose of same until she had an opportunity to sell to a party who (like herself) had the interest of the village in view and whom she knew would run it on the same clean lines she had always maintained.

SYMPTOMS
WOMEN DREAD

Mrs. Wilson's Letter Should Be Read by All Women

Clearfield, Pa.—"After my last child was born last September I was unable to do all of my own work. I had severe pains in my left side every month and had fever and sick dizzy spells and such pains during my periods, which lasted two weeks. I heard of Lydia E. Pinkham's Vegetable Compound doing others so much good and thought I would give it a trial. I have been very glad that I did, for now I feel much stronger and do all of my work. I tell my friends when they ask me what helped me, and they think it must be a grand medicine. And it is. You can use this letter for a testimonial if you wish."—Mrs. HARRY A. WILSON, R. F. D. 5, Clearfield, Pa.

The experience and testimony of such women as Mrs. Wilson prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound will correct such troubles by removing the cause and restoring the system to a healthy normal condition. When such symptoms develop as backaches, bearing-down pains, displacements, nervousness and "the blues" a woman cannot act too promptly in trying Lydia E. Pinkham's Vegetable Compound if she values her future comfort and happiness.

Levi McAllister
 After a long period of failing health and suffering, Levi McAllister died at his home here on June 28th at 8:20 a. m., the immediate cause of death being due to heart trouble, his age was 88 yrs., 7 months and 8 days.

Mr. McAllister was born in the town of Stoneham or as it was called then, Bachelors Grant, on November 20, 1832, the son of Eastman and Phoebe (Parker) McAllister. He was educated in the common schools of Stoneham and has always made his home in this town except for a few years that he was working as teamster in Boston and as engineer at the B. F. Spinney shoe factory in Norway.

On August 12, 1862, he enlisted in the U. S. service from Fall River, Mass., as a private in Capt. J. C. Sawyer's Co. A., 40th Regt. Mass. Vol. Inf., 3rd Division, 18th Army Corps. He was mustered into the service for three years. Upon leaving the state, he was detailed as train master and served in that capacity until the close of his service. He was the first man from the Union forces to enter Richmond, Va., after its surrender on the 3rd of April, 1865, being sent ahead of the regiment by the commanding officer to notify the boys in Libby prison that their release was near at hand.

His regiment went to Washington, D. C., and went into camp at Fort Ethan Allen. They were attached to the 2nd brigade of Abercrombie's Div. at Hunter's Chapel they were occupied in picket duty. They participated in the following battles: Yorktown, Apr. 31, '63; Williamsburg, Va., June 1-9, '63; White House Landing, Va., June 15, '63; Fort Darling, Va., May 14, '64; Drury's Bluff, Va., May 16, '64; Cold Harbor, Va., June 12, '64; Crater, July 30, '64; Bermuda Hundred, Va., Sept. 29, '64; Chapin's Bluff, Va., Sept. 30, '64; Deep Bottom Landing, Va., May 3, '65. The regiment was honorably discharged June 17, '65 at the close of the war. After three years of active service Mr. McAllister was honorably discharged at Richmond, Va., on July 16, 1865.

Since returning home he has followed the occupations of surveyor and farmer, has served as tax collector and selectman.

In politics, Mr. McAllister was a republican. He was a member of the Masonic Lodge of Lovell and a charter member of the K. of P.'s of Stoneham.

On February 22, 1908, he was united in marriage with Sarah L. Butters of Stoneham, who survives him.

The funeral services were held at the Congregational church on Thursday, June 30, Rev. C. N. Eliopoulos officiated. The Knights acted as escort and bearers and conducted the funeral services at the grave. Interment in Hillside Cemetery.

He is survived by his wife, his son, Charles Brown, and his daughter, Mrs. McAllister. He is survived by one nephew, Sidney McAllister of Lovell, also many other relatives and friends. Mr. McAllister was a man of upright character and sterling worth and will be sadly missed by all.

Surprise Birthday Shower
 A very delightful surprise birthday shower was given Adelaide G. Edwards at Camp Ellery-Dell by her young friends of Locke's Mills. Taking advantage of the absence of the Edwards family, the girls motored down, taking refreshments and decorations. The table was decorated in yellow and white, and from a beautiful basket in the center, containing the gifts, yellow ribbons ran to each place holding keyholes. Much merriment attended the cutting of the birthday cake, which was made at Grant's and contained the proverbial gifts, ring, thimble and coin. Games, music, and dancing were enjoyed until a late hour, when reluctant good nights were said.

COULD BEAT HANDS SHUCKING HIS CORN

At Least J. A. White Would Bet So, After Being Relieved of Dyspepsia

By Tanlac

"My wife and myself have had stomach trouble," says Mr. J. A. White, residing on the Leestown Pike, R. F. D. No. 6, near Lexington, Ky., "and have both been nervous and run down."

"We could not eat anything without suffering afterwards and could not sleep at night. We were regular nervous dyspeptics. We tried many remedies without permanent benefit until we heard of Tanlac. I got this medicine and began using it. We noticed immediate results. We are both greatly improved by Tanlac. We give all credit for the change of health to Tanlac. It is a remarkable medicine."

"I personally feel so good that I told my hands a day or two ago that I could beat any of them shucking corn. I meant it and believe I could have beat them all."

Of all the maladies that afflict humanity chronic dyspepsia such as Mr. and Mrs. White suffered from, is probably the most prevalent and hours might be consumed in describing the sufferings, mental and bodily, of the victims of chronic dyspepsia. A morbid, unreal, whimsical and melancholy condition of the mind, aside from the nervous physical suffering, is the usual state of the average dyspeptic and life seems scarcely worth the living.

Tanlac, the celebrated medicine, was designed especially for overcoming this distressing condition and millions of people have taken it with the most astonishing and gratifying results. It seems to go straight to the spot, toning up and invigorating every organ of the body.

Tanlac is sold by A. L. Clark Drug Co., Norway; Stowell Bros., Locke's Mills; R. E. Pinham, East Waterford; W. H. Brown, East Stoneham; Heald, Stearns & Kimball, Lovell; H. L. Hutchins Co., North Fryeburg; L. R. Rounds & Co., Waterford, and P. G. Barrett, Welchville, Me.

WATERFORD

Golden Wedding

Mr. and Mrs. Eugene Nelson observed
their golden wedding anniversary at their
home at South Waterford, Saturday even-
ing, July 2nd, surrounded by about one
hundred and fifty guests, which included
relatives, neighbors and friends, a gather-
ing representing Waterford, Harrison,
Bridgton, Stoneham, Norway, Paris,
Portland, Lincoln, Haverhill, Boston, and
West Medford, Mass., Baltimore, Phila-
delphia, and Helena, Arkansas. Congrat-
ulations reached the worthy couple from
all sides. Their five children and their
families were present, the family chain
remaining unbroken, viz: Albert E. Nel-
son of East Stoneham, Edward C. Nel-
son of Helena, Arkansas, Mrs. Ethel M.
Brackett of West Medford, Mrs. Bertha
S. Parker of Haverhill, and Charles M. of
Boston, all of whom assisted in the even-
ing's festivities. Two cousins of Mr.
Nelson, Chester Nelson and Mrs. Sarah
Libby of Lincoln, 78 and 76 years of age
were present for the occasion. The whole
house was thrown open and was most at-
tractive with its decorations of evergreen
and a profusion of flowers, the galliardia
predominating, this with the ox-eyed daisy
seemingly appropriate with their
golden hue, for the day. Yellow candles
added to the picturesqueness. On the
wide porch, punch was served and during
the evening ice cream and cake and the
real wedding cake were enjoyed. Mr.
and Mrs. Nelson were the recipients of
many fine gifts, in gold, a set of dishes
with gold band, fancy china and glass
and articles too numerous to mention.
Stearns' orchestra of Norway furnished
fine music throughout the evening, clos-
ing at 10:30 with "Auld Lang Syne." The
event was fittingly observed and will
be long remembered both as the anniver-
sary and as a reunion of old time friends
who had been separated for many years.

Eugene Nelson belongs to one of the
oldest families in New England. The
son of the late Chaplin and Emily Hicks
Nelson, he was born in South Waterford
April 9, 1849. He is descended from
Thomas and Joan Nelson, Thomas being
the ancestor of the Nelsons in Maine, New
Hampshire and the northern part of Mas-
sachusetts. Thomas Nelson was one of
the twenty-seven friends who emigrated
with the Rev. Ezekiel Rogers from Row-
ley, Yorkshire, England in 1638. The
following spring this party settled on
land situated between Ipswich and New-
bury, Mass., which was named Rowley by
the General Court. Thomas Nelson was
one of the able men of his time and was
made a Freeman May 23, 1689; was Deput-
y to the General Court in 1640 and 1641
and in 1643 was chosen chairman of a
committee to make a survey of the town
and lay out and register house lots.

Eugene Nelson's grandparents, Moses
and Hitta Pingree Nelson were the first
of the family to come to Waterford, from
Rowley, Mr. Nelson devoting the last
years of his life to agriculture. Chap-
lin Nelson was born in Waterford, and
was employed there in his youth as a sur-
veyor. Later he engaged in the sale of
general merchandise. His death occurred
at the early age of 35 years. His wife,
Emily, a native of Westbrook, who was
afterward married to D. W. Noble
of Waterford, died in 1881. Eugene Nel-
son received a good education, attending
the schools in Waterford and Bridgton
Academy. At the age of nineteen he
obtained employment as clerk in the office
of the water department at Boston, Mass.,
where he remained a year. Returning to
his native place he was engaged in the
manufacture of woodenware for some
years. He retired from active business
some time ago. It was, however, impos-
sible for a man of his disposition to re-
main entirely unoccupied, so he turned
his attention to market gardening, and
the raising of fruit, in which he has found
recreation and some profit. He has served
on the township committee for a number
of years and has been a member of the
school board at different times. Fifty
years ago he was united in marriage with
Charlotte M. Stanwood, daughter of the
late Albert and Charlotte Morse Stan-
wood, born in Boston, February 2, 1852.
Mr. Stanwood was for years connected
with the Boston Water Works, and after
retiring made his home in Waterford
where he owned a fine house on the hill
top across the street from Mr. Nelson's
sightly place.

Mrs. Nelson has devoted her life to
making a happy home for her children
whom she has seen well settled in homes
of their own, coming back to the old
homestead for their vacations. For some
years, they have closed their house in
Waterford during the winter and find a
warm welcome with their children in a
warmer climate. Both Mr. and Mrs. Nel-
son are among the popular people of the
community and it is hoped that many re-
turns of a similar nature may be theirs.

here visiting her aunt, Mrs. Charles Dun-
ham. Miss Young is a former resident
here, and will be remembered as assis-
tant post mistress for a number of

Fourth of July was a specially warm
day, but rather quiet for this place. The
day at the street lighting with can-
non crackers, church bells and impromptu
band. The usual amount of jokes
and tricks of course were played, but
on the whole was very quiet. A big
crowd went to South Paris-Norway cel-
ebration to see the ball game, etc. Also
several auto loads went to Dixfield cel-
ebration.

News has been received here of the
announcement made by Mr. and Mrs.
Lucien White of their daughter, Irene
Mildred's engagement to Carl Bartlett
Swanton of Millbridge. The wedding
will take place early in August. Miss
White is a piece of S. T. White of this
place and she has visited here several

ton, preached at the P. B. church, Wed-
nesday evening, June 30, about 75
of the friends of Grace Brock gave her
a shower at her home in West Paris.

The gifts consisted of many beautiful
pieces of silver, china, etc., which were
greatly appreciated by the bride-to-be,
and which will always be a pleasant re-
minder of her many friends in West
Paris. Refreshments of ice cream, cake,
doughnuts and crackers were served.

Whitney-Brock

An interesting event occurred in West
Paris, July 5th, at the home of Mr. and
Mrs. Henry Brock, when at high noon,
their younger daughter, Grace Mary, was
united in marriage to Clarence Elmon
Whitney, younger son of Mr. and Mrs.
Roscoe Whitney of Farmington.

The ceremony was performed beneath
an arch-bank of evergreen. The bride
wore a traveling suit of silver-tone brown
and carried bridal roses. The bride-
groom was also dressed in brown.

Ethel Brock, sister of the bride, acted
as maid of honor, and Everett Whitney,
brother of the bridegroom, acted as best
man. Those present at the ceremony
were the parents of the contracting par-
ties, also the wife of the best man.

The double ring service was used.
Rev. H. Aldrich, pastor of the Fed-
erated church at West Paris, was the
officiating clergyman. After a lunch
the bridal couple left for a short wedding
trip. They will be at home after August
1st, at 165 Madison Avenue, Skowhegan.

Community Chautauqua

(Continued from page 1)

carried along, smoothly, defying detection. Beasts, birds and fishes were produced apparently from empty space and many wonders were performed to bewilder and mystify. Vessels containing water appeared from shawls, and a lighted lamp disappeared in the most unceremonious way. As stated truly on the programs "The evening you'll remember and never fully understand." He carries two assistants who are valuable helpers in the performing of numerous stunts requiring confederates.

Gems from the most popular operas and the better selections from later composers were rendered by the International Concert Party Tuesday afternoon. Members of the troupe are Etta S. Bradley of Boston, dramatic soprano; Ben Redden of Boston, operatic tenor; Harry D. Newcomb, Canadian baritone of All Saints Cathedral at Halifax, Nova Scotia; and William Haddon, the eminent Swedish concert pianist.

They also presented an artistic prelude to the speaker Tuesday evening. The numbers had been carefully selected to meet the approval of the average chautauqua audience and were enthusiastically received. "The Garden of Allah," a baritone and tenor duet, was repeated from the afternoon program by request, and the prison scene from Faust as a trio were especially fine. Mr. Haddon delighted all with his artistic interpretation of the Blue Danube Waltz.

Strickland Gillilan of Baltimore, Md., America's famous humorist and magazine writer, appeared Tuesday evening with his "fun lecture" that he termed "Just Between Ourselves." He brought a message and put it across 'mid laughs and tears. This humorist is original and different from the more conventional lecture-entertainers. His subject matter is an original blend, driven home with a happy faculty of getting genuine laughs. He is delightfully humorous, making the better quality of American slang convey his meaning in a convincing way. Spontaneous wit was frequently shown to meet conditions. Gillilan's strength lies in his ability to change suddenly from gay to grave, then return quickly to his laugh-making material. Every joke carried teeth, and a running fire of ridicule and pertinent thrusts at man's short comings, contained sermons worthy of thoughtful consideration. Gillilan is a sure cure for the blues and he will be remembered long after the brown tent is gone. A warm engagement another year would pack the big canvas pavilion to the outer walls.

"Mother" Lake was the speaker Wednesday afternoon. She brought to her hearers a health lecture, pleading for better children, especially along hygienic lines. Her subject "The Divine Rights of the Child," emphasized a course of study and training beginning in youth, thus preparing the boys and girls for the sacred duties of parenthood. The lecture held the closest attention of the audience and inspired all with her personality and earnestness to make the world better.

"The Cinderella Man" presented on Wednesday evening by a Broadway cast proved a banner attraction. Special scenery, costumes and effects adaptable to the chautauqua stage assisted in making this comedy-drama a success. Mildred Davis played the leading role as "The Princess." John F. Ryan enacted the part of the "Cinderella Man," Anthony Quintard, Chauncey Casland as "Jerry Primrose," the old house servant, was a strong part. The "she-her" played by Margaret Newton, portrayed a typical lodging house mistress of the square-jaw type. Benedict Brown brought out the character of "Morris Caner" and James A. Morrison was strong while impersonating "Romney Evans." The four act play is clean and wholesome, with a romance woven around the young characters. Part of its success is due to a happy climax after an extended suspense between doubts and fears. Last season "Polly of the Circus" made a decided hit, and also in the "Cinderella Man" is revealed a story appealing to the heart, leaving the community a little better for having been presented. Both dramas are wonderfully human and impress sermons not quickly forgotten. The play night is becoming one of the most attractive numbers on the season's program.

As we want Chautauqua another year, a drive for pledges was made between the acts. With a contract ready, the local committee started the campaign for 600 pledged tickets. Only 500 are needed to guarantee next year, but a hundred and more are secured to make the deal solid.

The speakers urging a quick response were Pres. E. N. Swett, Rev. C. G. Miller and Albert D. Park. Some twenty assistants canvassed the large audience and secured 335 pledges. The remaining will be secured Thursday afternoon and evening. None are going to play slacker in this eleventh hour. Community Chautauqua is coming again next year bigger and better than ever. Let's go, and every pledge for a season ticket will bring this helpful program to us.

The Princess Nacomee Company, and Chief Tahan in his lecture "Up From Savagery" will close the sixth season this Thursday evening.

Chautauqua Notes

Officers were on duty every afternoon and evening to control the traffic through the fair ground entrance and to see that automobiles were parked near the race track fence. Special officers Alonzo F. Hall and Horace Kimball watched the gate, John Judkins parked the cars, Sheriff Harry D. Cole and his deputies, Harry O. Stimson and Ernest F. Shaw mingled in the crowd every evening. Every body was orderly and no trouble marred the Chautauqua spirit.

Ben Redden, the operatic tenor, appearing Tuesday, was accompanied by his wife and child. Mrs. Strickland Gillilan and son also came with Mr. Gillilan. The son had on sale bound copies of his father's writings at a stand near the entrance.

Eugene N. Swett, president of the local association, Oliver J. Foss and assistants sold admissions during the sessions. A large number of single tickets were handed especially Tuesday and Wednesday evenings.

Season tickets brought \$2.50. No tax is collected by the government as Community Chautauqua is a recognized educational institution, and twenty-three cents on each ticket in excess of the regular price was applied to the expenses of the Sunday evening service.

The Juniors are an ambitious outfit. A municipal playground is the big idea. The youngsters had a stand near the tent where lemonade and homemade candy was sold for a fund to make this idea a reality. They also leased cushions for a nicklela show and cared for infants during a performance at ten cents per head. Ten dollars was cleared up to Wednesday morning.
